How to make your research open access for free and legally

1. Do you know a free Open Access journal?
   - Yes: Publish via 'gold' route
   - No: Check thinkchecksubmit.org or The DOAJ

2. Do you have funding for Open Access?
   - Yes: Publish via 'gold' route
   - No: Your library, your university, your funders

3. Can you publish the post-print?
   - Yes: Publish your post-print
   - No: Check sherpa.ac.uk/romeo

4. Can you publish the pre-print?
   - Yes: Publish your pre-print
   - No: Check sherpa.ac.uk/romeo

5. Choose a different journal

Note: Some publishers impose embargo periods on post-print publication.
