_______ When talking to someone else I have a hard time handling those who do not maintain good eye contact with me.

_______ I make lists and notes because I remember things better if I write them down.

_______ When reading a novel, I pay a lot of attention to passages picturing the clothing, description, scenery, setting, etc.

_______ I need to write down directions so that I may remember them.

_______ I need to see the person I am talking to in order to keep my attention focused on the subject.

_______ When meeting a person for the first time, I notice the style of dress, visual characteristics, and neatness first.

_______ When I am at a party, one of the things I love to do is stand back and "people-watch."

_______ When recalling information, I can see it in my mind and remember where I saw it.

_______ If I had to explain a new procedure or technique, I would prefer to write it out.

_______ With free time, I am most likely to watch television or read.

_______ If my boss has a message for me, I am most comfortable when she sends an email message.

**Total sum of answers for Section One** __________ (note: the minimum is 12 and maximum is 60)

*Once you have completed all three (3) sections, enter your score in the spaces provided on the last page*
Section Two

1. When I read, I read out loud or move my lips to hear the words in my head.
2. When talking to someone else, I have the hardest time handling those who do not talk back with me.
3. I do not take a lot of notes, but I still remember what was said. Taking notes distracts me from the speaker.
4. When reading a novel, I pay a lot of attention to passages involving conversations, talking, speaking, dialogues, etc.
5. I like to talk to myself when solving a problem or writing.
6. I can understand what a speaker says even if I am not focused on the speaker.
7. I remember things easier by repeating them again and again.
8. When I am at a party, one of the things I love to do is talk in-depth about a subject that is important to me with a good conversationalist.
9. I would rather receive information from the radio, rather than a newspaper.
10. If I had to explain a new procedure or technique, I would prefer telling about it.
11. With free time, I am most likely to listen to music.
12. If my boss has a message for me, I am most comfortable when she calls on the phone.

Section Three

1. I’m not good at reading or listening to directions. I would rather just start working on the task or project at hand.

2. When talking to someone else, I have the hardest time handling those who do not show any kind of emotional support.

3. I take notes and doodle but rarely go back to look at them.

4. When reading a novel, I pay a lot of attention to passages revealing feelings, moods, action, drama, etc.

5. When I am reading, I move my lips.

6. I will exchange words and places and use my hands a lot when I can’t remember the right thing to say.

7. My desk appears disorganized.

8. When I am at a party, one of the things I love to do is enjoy the activities such as dancing, games, and totally losing myself in the action.

9. I like to move around. I feel trapped when seated at a meeting or a desk.

10. If I had to explain a new procedure or technique, I would prefer actually demonstrating it.

11. With free time, I am most likely to exercise.

12. If my boss has a message for me, I am most comfortable when she talks to me in person.
